

WARRIOR PSYCHOTHERAPY SERVICES PRESENTS

Equine-Assisted Psychotherapy (EAP)

AT FÁILTE STABLES IN FRONT ROYAL

**Serving Military Members, Veterans,
First Responders, and Their Families**

to address mental health issues such as trauma, anxiety, and depression

Our trauma-informed, culturally competent program is designed to meet the functional needs of those who protect and serve.

- Our team approach is mission-oriented and results-driven to meet identified specific learning outcomes
- All sessions are ground-based — no riding is involved

- ✓ Licensed provider and equine specialist-led sessions on Mondays, by appointment
- ✓ Private pay \$175 per person (insurance is not accepted for this program)
- ✓ Available to individuals, organizations and groups (inquire for group cost)
